

CRANAplus Awards

CRANAplus Awards honour outstanding individuals or services in the field of remote and isolated health, who dedicate their time and skills to improving the health and wellbeing of others, often in challenging circumstances.

Please consider nominating an individual or service in the workplace for a CRANAplus Award.

The CRANAplus Awards categories are:

- Excellence in Education/or Research in Remote Health
- Excellence in Remote Health Practice Award
- Collaborative Team Award
- Novice/Encouragement Award
- Excellence in Mentoring Award

The **Aurora** is awarded in recognition of outstanding contributions to Remote & Isolated Health.

All nominations close 31 July
